

Conduct Code

EBP Brasil is committed to providing its clients with services of the highest competence and technical credibility, aiming at developing and implementing innovative, environmentally safe and economically viable solutions in all projects.

The commitment of our employees to these premises must be guided by the best professional conduct, since the work environment is a place shared with coworkers, clients and suppliers.

Respect is essential for all to feel comfortable and secure.

Therefore, it is necessary to avoid attitudes that may interfere with general well-being. In this way, EBP Brasil expects and is confident that its employees will perform their activities with excellence and according to the rules, always in a safe environment. In addition, employees must always act with respect, professionalism and politeness towards all coworkers, clients and suppliers.
